I loved the first, I loved the sequel. Im not sure if I can say I like two more but its worth the buy even if it was a little pricey. I love ur work guys. If you decide to make an Egg Time 3, I would love to see it and I can suggest a few things- I miss the new gadgets you get in ur hand every round like the first game. I love the enviroments but they are just cool to look at, I would love to see some game changing or challenging different levels like being surrounded by chickens or being far apart or something like that. For example I loved ping ponging eggs into two buckets on the moon in the first game. I saw you used a conveyor in

the tutorial, You could use that for moving chickens left and right and stuff like that. I would love to see a third game with more levels, fun game changing challenges and much much more. I love Egg Times addicting gameplay I came expecting something a bit more unexpected but I saw not much mechanical game changes in the egg catching or anything like that. The game itself I think is also a lil pricey. An endless mode would be fun where the eggs keep getting faster coming out and the number needed grows as well as less time every round. The bomb seems easy to moneuver so I would suggest making it kill you unless you put it in the water bucket, or destroying all eggs. I love the concept of the golden chicks hidden in each level. I went back and found all of them and I must say it was quite fun. I didnt get the acheivment tho and got all seven but the board says I got only 6/7. If you have any suggestions on what to do or if you need to fix this Id apreciate it. I love ur games guys keep it up. I expected more from this game however. I hope you mix it up a bit more next time. I also think the "Test Your Aim" can kill the flow of the gameplay a bit. It also gave only points and plus 1 time but was however kinda fun but can be exploited as well. Love you guys
