[Jazler RadioStar V2.2.30 Multilingual Cracked DJiNN.21](#)

The screenshot shows the Jazler RS2.3.3 software interface. The top bar displays the current track: "Solo Tu" by Probly Pablo. Below this, there's a playlist list with 9 items, including "PISADOR OMEGA (MF)", "Yo Soy Asi", and "La Union Familiar". The center part of the screen displays a "Lista de Historial" (History List) with song titles and durations. On the right side, there are several panels: "Pistas" (Tracks) with a "1 SELLOS O..." section, "Aplausos" (Applause) with a "Dias te doy gracias" graphic, and "Barras" (Bars) with a "NUEVA 2" graphic. At the bottom, there are control buttons for volume, mute, and other functions.
