i became a true slav after shooting zombies with my gun while dancing to hardbass 10V10. Based on a real history from Mother Russia.. natashka is real and she;s strong and she;s my girlfriend. I had no idea that the price of \$2 could make it so far. The music was constantly a 10V10 and I hope in the future more content is released. Only the real will play this game.. Great survival game. I know what to do if someone comes at me with an axe.. i almost my pants when i saw this game,probably the best one i ever played,the only thing i miss from partying is snorting coke from this russian  
keep updating it like i keep doing coke. 1-2 hours pure fun!

This game is a very simple unity based slav meme. It's everything I ever wanted. Get 3-4 friends together, laugh your\u2665\u2665\u2665\u2665\u2665off for an hour or two. 10V10. Perfect Game. This is absolute banger.

We danced hardbass, wore g-strings, killed hundreds of mutants, zombies and weird\u2665\u2665\u2665\u2665\u2665spiders and defeated the actual devil.

I never had so much fun for 2 euros in my whole life.

Buy this. Like right now.. The best game i've played ever for a ridiculous price, LMAO long live to hardbass (needs to fix some bugs but who cares when u can kill some beasts with multiple fire guns meanwhile naked raveing). Didn't think I'd say this, but we actually had fun. Worth the 1,5\u20ac. Very nice game. Buy it. Zombies and russian Hardbass. Nice.exe. Greatest. Game.

Ever.

!.

. DA!!!\u2665\u2665\u2665\u2665\u2665\u2665! My best purchase this year! Screw PUBG, BFV, Black Ops IV and the rest.. THIS IS THE THING YOU WANT!. Have you ever killed hordes of badly animated zombies while playing as a half (or 90%) naked woman while Russian hardbass plays in the background? No? Well, have you ever done that and then afterwards killed Satan? No again? It sounds like you need to buy ULTIMATE HARDBASS DEFENCE for \u00a31.69.
